conditions does not appear justified at this time. If a site plan is filed, reviewed by the appropriate departments, and found not to justify improvements as we have previously requested, there would be reason for reconsideration.

Attached is a letter from the developer agreeing to the conditions but stating that they reserve the right to appear before City Council to present their position regarding the requirements and arguments for waiving certain conditions. They additionally reserve the right to appear again before the City Plan Commission at a later time to request that certain required conditions be waived.

The original letter agreeing to the conditions is on file in the City Plan Commission office and a copy is attached to the original ordinance.

If there are any questions with regard to this ordinance, please feel free to call on us.

Respectfully submitted,
